If you are involved in more than one international boycott, use a separate Schedule B (Form 5713) to compute the specifically attributable taxes and income for each boycott.

General Instructions

References are to the Internal Revenue Code.

Purpose—Complete Schedule B (Form 5713) if you participated in or cooperated with an international boycott and if you figure the loss of tax benefits by specifically attributing taxes and income. If you do not specifically attribute taxes and income for this purpose, you must compute the international boycott factor on Schedule A (Form 5713).

Who must file—Anyone who participates in or cooperates with an international boycott must file either this schedule or Schedule A (Form 5713) to figure the loss of tax benefits. One act of participation or cooperation creates the presumption that you participate in or cooperate with the boycott unless you rebut the presumption as explained in the instructions for “Boycott operations” below. The presumption applies to all of your operations, and those of each member of any controlled groups (defined in section 993(a)(3)) to which you belong, in each country that helps carry out the boycott.

Certain shareholders—IC-DISC benefits, certain FSC benefits, the “deemed paid” foreign tax credit under section 902, and the deferral of subpart F income are lost at the shareholder level. Shareholders in an IC-DISC, certain FSCs, or a foreign corporation must report their prorated share of the tax benefits denied. The denial of these benefits is discussed in the specific instructions for columns (4) through (7).

Boycott operations—All of your operations in a boycotting country are considered to be boycott operations, unless you rebut the presumption of participation in or cooperation with the boycott, as explained below. In addition, your operations that are not in a boycotting country are boycott operations if they are connected to your participation in or cooperation with the boycott.

You can rebut the presumption of participation in or cooperation with a boycott for a particular operation by demonstrating that the operation is separate from any participation in or cooperation with an international boycott. The presumption applies only to operations in countries that carry

out the boycott, so you do not need to rebut the presumption for operations that are related to those countries, but that take place outside of those countries.

Specific Instructions

File Schedule B (Form 5713) for the period covered by your income tax return. Report only your own taxes and income; do not include other members of any controlled groups to which you belong.

Complete columns (1) through (7) in the following manner:

Show all specifically identifiable taxes and income in each appropriate column from one operation on one line.

Column (1)—Enter the name of the country that requires participation in or cooperation with an international boycott as a condition of doing business in that country. The country named in column (1) is not necessarily the country where you have operations. For example, if you have operations in Country Z that is not a boycotting country and the operation relates to Country X that is a boycotting country, enter the name of Country X in column (1). See General Instruction B on page 1 of the Instructions for Form 5713 for a list of boycotting countries.

Column (2)—Enter the principal business activity code of the boycott operation. Page 4 of the Instructions for Form 5713 lists the codes.

Column (3)—Briefly describe the principal business activity of the boycott operation.

IC-DISCs—Enter the major product code and description in parentheses. The Instructions for Schedule N of Form 1120-IC-DISC, list the codes.

Column (4)—Enter the foreign taxes paid, accrued, or deemed paid that are attributable to the boycott operation. These taxes are not eligible for the foreign tax credit. Omit foreign taxes otherwise disallowed under sections 901 through 907, 911, and 6038. For more information see Part N of the Treasury Department’s International Boycott Guidelines.

Enter the column (4) total on line 2b, Schedule C (Form 5713).

Column (5)—Enter your prorated share of the controlled foreign corporation’s income that is attributable to the boycott operation. (This includes your share of the section 923(a)(2) non-exempt income of a FSC.) This amount is not eligible for tax deferral. Omit the foreign corporation’s income attributable to earnings and profits that are included in gross income under section 951 (except by reason of section 952(a)(3)). Also omit amounts excluded from subpart F income by section 952(b). In figuring the amount to enter in column (5), you are allowed a reasonable amount for deductions (including foreign taxes) allocable to that income.

Enter the column (5) total on line 3b, Schedule C (Form 5713).

Column (6)—An IC-DISC’s taxable income attributable to boycott participation or cooperation is not eligible for deferral.

If you are a shareholder in an IC-DISC, follow these steps for each boycott operation and enter the result in column (6): Add the amount deemed distributed for the tax year under section 995(b)(1)(A), (B), (C), (D), and (E). Subtract that total from the IC-DISC’s taxable income attributable to the boycott operation for the tax year, before reduction for any distributions. If you are a C corporation, prorate your share of the remainder and multiply by 16/17. If you are not a C corporation, prorate your share of the remainder. Enter the result in column (6). Enter the column (6) total on line 4b, Schedule C (Form 5713).

Column (7)—A FSC’s taxable income attributable to boycott participation or cooperation is not eligible for exemption from income tax. Enter in column (7) the amount of taxable income attributable to foreign trade income of a FSC for each boycott operation that would have been exempt if there had not been boycott participation or cooperation.

Enter the column (7) total on line 5b, Schedule C (Form 5713).
