Instructions for Recipient of Gambling Winnings

Purpose of form. You must complete Form 5754 if you receive gambling winnings either for someone else or as a member of a group of winners on the same winning ticket. The information you provide on the form enables the payer of the winnings to prepare Form W-2G, Certain Gambling Winnings, for each winner to show the winnings taxable to each.

Completing the form. If you are the person to whom gambling winnings are paid, enter your name, address, and taxpayer identification number in Part I. If the winnings are from state-conducted lotteries, the box labeled "Other I.D." may be left blank. The total amount received and the total federal income tax withheld must be entered in the remaining columns.

Complete Part II to identify each winner and each winner's share of the winnings. If you are also one of the winners, enter your information first in Part II by entering "Same as above" in columns (a), (b), and (c) and the applicable amounts in columns (d) and (e). Then complete columns (a) through (e) for each of the other winners. Return the form to the payer.

Taxpayer identification number. The taxpayer identification number for an individual is the social security number or individual taxpayer identification number. For all others, it is the employer identification number.

Signature. If federal income tax is withheld, the person who receives the winnings must sign and date the form. If no federal income tax is withheld, no signature is required.
