Part III

Administrative, Procedural, and Miscellaneous

26 CFR 601.601: Rules and regulations. (Also Part I, § 1397E)

Rev. Proc. 98-57

## SECTION 1. PURPOSE

This revenue procedure sets forth the maximum face amount of Qualified Zone Academy Bonds ("Bond" or "Bonds") that may be issued for each State during 1999. For this purpose "State" includes the District of Columbia and the possessions of the United States.

## SECTION 2. BACKGROUND

.01 Section 226 of the Tax Relief Act of 1997, Pub. L. 105-34, 111 Stat. 788 (1997), added § 1397E to the Internal Revenue Code to provide a credit to holders of Bonds under certain circumstances so that the Bonds generally can be issued without discount or interest. Ninety-five percent of Bond proceeds are to be used for qualified purposes, as defined by § 1397E(d)(5), with respect to a qualified zone academy, as defined by § 1397E(d)(4).

- the States is limited to \$400 million for 1998 and \$400 million for 1999 (the "national limitation"), unless the carryover provisions of § 1397E(e)(4) apply. This amount is to be allocated among the States by the Secretary on the basis of their respective populations below the poverty level (as defined by the Office of Management and Budget) and is to be further allocated by the State to qualified zone academies within the State or possession. A State may carry forward to the next calendar year any amount of an allocation of the national limitation for a calendar year that is in excess of the amount of Bonds issued during that calendar year that are designated with respect to qualified academies within the State.
- .03 Rev. Proc. 98-9, 1998-3 I.R.B. 56, allocated the national limitation for 1998 among the States and possessions. SECTION 3. SCOPE

This revenue procedure applies to Bonds issued under § 1397E during 1999.
