General Instructions Changes To Note for 1994

Several line changes were made to the 1994 Form 5500-EZ.

- New line 1d asks for the business activity code. Enter one of the codes from page 5 or 6 of the instructions.
- New line 4a asks for the opinion/notification letter serial number, if applicable.
- New line 4b asks what type of business the plan covers.

Additional changes and deletions were made. Please take special care when completing the form to take all of the changes into account.

A Change To Note For 1995

For 1994 and prior years, one-participant plan(s) that held \$100,000 or less in total plan assets at the end of any plan year did not have to file Form 5500-EZ (or any other annual information return). For 1995 and later years, one-participant plans that held more than \$100,000 at the end of any plan year beginning on or after January 1, 1994, must file a Form 5500-EZ for the year the assets exceed \$100,000 and for each year thereafter, even if total plan assets are reduced to \$100,000 or less. For example, if plan assets in a plan that otherwise satisfies the requirements for filing the Form 5500-EZ totaled \$110,000 at the end of the 1994 plan year, and a distribution occurred in 1995 so that plan assets totaled \$85,000 at the end of the 1995

plan year, a Form 5500-EZ must be filed for the 1995 plan year.

Electronic Filing of Form 5500-EZ

Qualified tax return filers can file Form 5500-EZ by magnetic media (magnetic tapes, floppy diskettes) or electronically. If the plan administrator files the employee plan return electronically or on magnetic media, he or she must also file Form 8453-E, Employee Benefit Plan Declaration and Signature for Electronic/Magnetic Media Filing. This is the declaration and signature form for the electronic/magnetic media return. See Pub. 1507, Procedures for Electronic/Magnetic Media Filing of Employee Benefit Plan Returns Forms 5500, 5500-C/R, and 5500-EZ, for more information.

Purpose of Form

Form 5500-EZ is a simpler form that you can use if you have a one-participant pension benefit plan and you meet the five conditions listed under **Who May File Form 5500-EZ**. If you do not meet the five conditions, see **Form 5500-C/R**, Return/Report of Employee Benefit Plan (With fewer than 100 participants), for reporting requirements.

Pension benefit plans can be either defined contribution plans (which include profit sharing plans, money purchase plans, stock bonus plans, and employee stock ownership plans (ESOPs)) or defined benefit plans.

Who May File Form 5500-EZ

You may file Form 5500-EZ instead of Form 5500-C/R if you meet **ALL** of the following conditions:

- **1.** The plan is a one-participant plan. This means that as of the 1st day of the plan year for which this form is filed, either:
- a. The plan only covers you (or you and your spouse) and you (or you and your spouse) own the entire business. (The business may be incorporated or unincorporated); OR
- **b.** The plan covers one or more partners (or partner(s) and spouse(s) in a business partnership.
- **2.** The plan meets the minimum coverage requirements of section 410(b) without being combined with any other plan you may have that covers other employees of your business. See the instructions for line 10c for more information.
- **3.** The plan does not provide benefits for anyone except you, or you and your spouse, or one or more partners and their spouses.
- **4.** The plan does not cover a business that is a member of:
- a. An affiliated service group,
- b. A controlled group of corporations, or
- c. A group of businesses under common control

5. The plan does not cover a business that leases employees. For an explanation of the technical terms above, see **Definitions** on page 2.

If you do not meet all five of the conditions listed above, file Form 5500-C/R instead of Form 5500-EZ. If you meet all five of the conditions, read **Who May Not Have To File**.

Who May Not Have To File

You do not have to file Form 5500-EZ (or Forms 5500 or 5500-C/R) for 1994 if you meet the five conditions above, ${f AND}$

You have a one-participant plan with total plan assets of \$100,000 or less at the end of the plan year, **OR**

You have two or more one-participant plans that together have total plan assets of \$100,000 or less at the end of the plan year.

Note: All one-participant plans must file a Form 5500-EZ for their final plan year even if the total plan assets have always been less than \$100,000. The final plan year is the year in which distribution of all plan assets is completed. Check the "final return" box at the top of Form 5500-EZ if all assets under the plan(s) (including insurance/annuity contracts) have been distributed to the participants and beneficiaries or distributed to another plan.

What To File

One-participant pension benefit plans that are required to file should complete and file Form 5500-EZ for the plan's first year and for every plan year thereafter. See page 4 of these instructions for a filled-in sample of Form 5500-EZ.

When To File

File Form 5500-EZ and any applicable schedules by the last day of the 7th month following the end of the plan year, unless you were granted an extension of time to file.

Extension of Time To File

A one-time extension of time to file Form 5500-EZ (up to 2½ months) may be granted if Form 5558, Application for Extension of Time To File Certain Employee Plan Returns, is filed timely and approved by the IRS. Attach a copy of the approved extension of time to file to Form 5500-EZ and check the box above line

Exception. One-participant plans are automatically granted an extension of time to file Form 5500-ÉZ until the extended due date of the Federal income tax return of the employer (and are not required to file Form 5558) if all the following conditions are met: (1) the plan year and the employer's tax year are the same, (2) the employer has been granted an extension of time to file its Federal income tax return to a date later than the normal due date for filing the Form 5500-EZ, and (3) a copy of the IRS extension of time to file the Federal income tax return is attached to the Form 5500-EZ filed with the IRS. Be sure to check the box above line 1b. An extension granted by using this exception CANNOT be extended further by filing a Form 5558 after the normal due date (without extension) of Form 5500-EZ.

Short Plan Year

For a short plan year, file a return and all applicable schedules by the last day of the 7th month following the end of the short plan year. Modify the heading of the form to show the beginning and ending dates of your short plan year and check the box for a short plan year. If

this is also the first or final return, check the appropriate box.

Amended Return

If you file an amended return, check the box at the top of the return. Be sure to circle the amended line numbers.

Where To File

File Form 5500-EZ with the Internal Revenue Service Center, Andover, MA 05501.

Signature and Date

The plan administrator or employer (owner) must sign and date Form 5500-EZ.

Penalties

The Internal Revenue Code imposes a penalty of \$25 a day (up to \$15,000) for not filing returns in connection with pension, profit-sharing, etc., plans by the required due date.

Schedules

- Defined benefit plans subject to the minimum funding standards for this plan year must attach **Schedule B (Form 5500)**, Actuarial Information, to Form 5500-EZ. See the instructions for Schedule B (Form 5500).
- Schedule P (Form 5500), Annual Return of Fiduciary of Employee Benefit Trust, can be filed as an attachment to Form 5500-EZ by any fiduciary (trustee or custodian) to start the running of the statute of limitations for the trust. See the instructions for Schedule P.

Definitions

Organizations defined in Affiliated Service Group and Controlled Group of Corporations and a Group of Trades or Businesses Under Common Control below may not file Form 5500-EZ.

Affiliated Service Group

In general, two or more businesses may be an affiliated service group if: (a) one or more of the businesses (or the shareholders, officers or highly compensated employees of one or more of the businesses) has an ownership interest in any of the other businesses, and (b) any of the businesses provide services to any of the other businesses (or are associated to provide services to third parties). If this applies to your business, read the rest of this definition for more details.

Section 414(m)(2) defines an affiliated service group as a group consisting of a service organization (referred to below as the "first service organization" (FSO)) and:

- 1. A service organization (A-ORG) that is a shareholder or partner in the FSO and that regularly performs services for the FSO or is regularly associated with the FSO in performing services for third persons, and/or
 - 2. Any other organization (B-ORG) if:
- **a.** A significant portion of the business of that organization consists of performing services for the FSO or A-ORG of a type historically performed by employees in the service field of the FSO or A-ORG, and
- **b.** 10% or more of the interest of the B-ORG is held by persons who are officers, highly compensated employees, or owners of the FSO or A-ORG.

An affiliated service group also includes a group consisting of: (a) an organization whose principal business is performing management functions on a regular and continuous basis for another organization (or one organization and other related organizations), and (b) the organization (and related organizations) for which

such functions are performed. See section 414 (m)(5).

Leased Employee

Under section 414(n), a leased employee provides employee services for you that are historically provided by employees in your business field (although the person is not your employee), the individual provides services on a substantially full-time basis for at least a year, and the services are provided pursuant to an agreement between you and a leasing organization.

Controlled Group of Corporations and a Group of Trades or Businesses under Common Control

These are corporations or unincorporated businesses in which there is common ownership by one or more individuals or persons. See sections 414(b) and 414(c).

Disqualified Person

Generally, a disqualified person in the case of a sole proprietorship or partnership includes you, your partners, your relatives and your partner's relatives, and other businesses in which you, your partners, or the partnership have an interest. In the case of a corporation, another corporation in which your corporation has an interest may be a disqualified person.

Specifically, the term "disqualified person" means:

- **1.** Any fiduciary (including, but not limited to, any administrator, officer, trustee, or custodian), or coursel:
 - 2. A person providing services to the plan;
- **3.** An employer any of whose employees are covered by the plan;
- **4.** An employee organization any of whose members are covered by the plan;
- 5. An owner, direct or indirect, of 50% or more of: (a) the combined voting power of all classes of stock entitled to vote or the total value of shares of all classes of stock of a corporation, (b) the capital interest or the profits interest of a partnership, or (c) the beneficial interest of a trust or unincorporated enterprise, which is an employer or an employee organization described in paragraph 3 or 4;
- **6.** A relative of any individual, described in paragraph **1, 2, 3,** or **5**;
- 7. A corporation, partnership, or trust or estate of which (or in which) 50% or more of: (a) the combined voting power of all classes of stock entitled to vote or the total value of shares of all classes of stock of such corporation, (b) the capital interest or profits interest of such partnership, or (c) the beneficial interest of such trust or estate is owned directly or indirectly, or held by persons described in paragraph 1, 2, 3, 4, or 5;
- **8.** An officer, director (or an individual having power or responsibilities similar to those of officers or directors), or a 10% or more shareholder, directly or indirectly, of a person described in paragraph **3**, **4**, **5**, or **7**; or
- **9.** A 10% or more (directly or indirectly in capital or profits) partner or joint venturer of a person described in paragraph **3**, **4**, **5**, or **7**.

Specific Instructions Information at the Top of the Form

Check box (i) if this is the first filing for this plan. Do not check this box if you have ever filed for

this plan, even if it was a different form (e.g., Form 5500 or Form 5500-C/R).

Check box (ii) if you have already filed for the 1994 plan year and are now filing an amended return to correct errors and/or omissions on the previously filed return.

Check box (iii) if all assets under the plan(s) (including insurance/annuity contracts) have been distributed to the participants and beneficiaries or distributed to another plan. The final plan year is the year in which distribution of all plan assets is completed.

Check box (iv) if this form is filed for a period of less than 12 months. Show the dates at the top of the form.

Line 1a

Enter the employer's name and address. Include the suite, room, or other unit number after the street address.

If the Post Office does not deliver mail to the street address and the employer has a P.O. box, show the box number instead of the street address.

Line 1b

Enter the employer's nine-digit employer identification number (EIN). For example, 00-1234567. **Do Not Enter Your Social Security Number.**

Employers who do not have an EIN should apply for one by attaching a completed **Form SS-4**, Application for Employer Identification Number, to this form when it is filed. You may also apply for an EIN before you are required to file Form 5500-EZ by filing a completed Form SS-4 with the IRS Service Center, Andover, MA 05501. If you do not receive your EIN in time to enter it on the Form 5500-EZ you file, enter "Applied For" on line 1b.

Note: Although EINs for funds (trusts or custodial accounts) associated with plans are generally not required to be furnished on the Form 5500 series returns/reports (except on Schedule P (Form 5500)), the IRS will issue EINs for such funds for other reporting purposes. EINs may be obtained by filing Form SS-4 as explained above.

The plan administrator or employer should use the trust's EIN described in the **Note** above when opening a bank account or conducting other transactions for a plan that requires an FIN

Line 1d

From the list of business activity codes on pages 5 and 6, enter the one that best describes the nature of your business.

Line 2a

If the employer is also the plan administrator, check "Yes." If the employer is not the plan administrator, check "No" and, at the bottom of Form 5500-EZ, write in the plan administrator's name and EIN.

Line 2b

Enter the formal name of the plan or sufficient information to identify the plan.

The plan name should not exceed 70 characters including blank spaces. If your plan name is more than 70 characters, please abbreviate it.

Line 2c

Enter the date the plan first became effective.

Page 2

Line 2d

Enter the three-digit number the employer assigned to the plan. Plans should be numbered consecutively starting with 001.

Once a plan number is used for a plan, it must be used as the plan number for all future filings of returns for the plan, and this number may not be used for any other plan even after the plan is terminated.

Line 3

Check one box on this line. Profit-sharing, employee stock ownership (ESOP), stock bonus, and money purchase plans are types of defined contribution plans. A "defined contribution plan" is a plan that provides for an individual account for each participant and for benefits based solely on the amount in such account. If a plan is not a defined contribution plan, it is a defined benefit plan.

Line 3a

All defined benefit pension plans subject to the minimum funding standards must complete and attach Schedule B (Form 5500) to this form. All defined benefit pension plans are subject to the minimum funding standards, except certain insurance contract plans described in section 412(i), church plans, governmental plans, and certain other plans described in section 412(h).

Line 3b

If this is a defined contribution plan for which a waived funding deficiency is being amortized in the current plan year, attach Schedule B (Form 5500) to this form. Complete only lines 1, 2, 3, 7, and 9 of Schedule B. An enrolled actuary does not have to sign the Schedule B under these circumstances.

Line 4a

If this plan is a master and prototype plan, enter the latest opinion letter serial number issued for the master and prototype plan. If this plan is a regional prototype plan, enter the latest notification letter serial number issued for the regional prototype plan. Leave line 4a blank if this plan is not a master and prototype plan or a regional prototype plan.

Line 4b

Check box (1) if you, or you and your spouse together, own 100% of the business which maintains the plan, and the business is unincorporated. Check box (2) if you are a partner in the partnership which maintains the plan. Check box (3) if you, or you and your spouse jointly, own 100% of the shares of the corporation which maintains the plan.

Line 5b

File a separate Form 5500-EZ for each plan if you have two or more one-participant plans with combined total plan assets that exceed \$100.000.

Line 6

In general, distributions received by a participant from any qualified plan prior to attainment of age 59½, death, or disability will be subject to a 10% tax on the amount of the distributions. In addition, individuals generally must begin to receive distributions from qualified plans by April 1 of the calendar year following the calendar year in which they reach age 70½.

For more details on early distributions and excess accumulations in qualified retirement plans, see **Pub. 560**, Retirement Plans for the Self-Employed, and **Pub. 590**, Individual Retirement Arrangements. In addition, **Form**

5329, Additional Taxes Attributable to Qualified Retirement Plans (Including IRAs), Annuities, and Modified Endowment Contracts, contains detailed information on how to report any excise tax or additional income tax in connection with your plan.

Line 7

Do not include transfers, rollovers or unrealized gains and losses on lines 7b through 7g. See the instructions for line 8a.

Line 7b

Enter the total cash contributions received by the plan during the year or the contributions owed to the plan at the end of the year including contributions for administrative expenses.

Line 7d

Enter the total distributions made by the trust that will be included in the participant's or beneficiary's income this year. If distributions include securities or other property, include the current value of the securities or other property at the date these assets were distributed. For distributions of insurance or annuity contracts to participants, enter the cash value of the contract when distributed.

Line 7e

Enter the portion of total plan distributions made during the year attributable to employee contributions or other basis under the plan.

Line 8a

"Total plan assets" includes rollovers, transfers from other plans, and unrealized gains and losses such as appreciation/depreciation in assets.

Line 8b

Do not include the value of future distributions that will be made to participants.

Line 9

Section 4975 prohibits dealing between the plan and disqualified persons in most instances and imposes an excise tax on the prohibited transaction.

The section 4975 tax is to be paid with the filing of Form 5330, Return of Excise Taxes Related to Employee Benefit Plans. References to disqualified person transactions refer to all such transactions, not only those that are prohibited.

See **Definitions** for the meaning of "disqualified person."

Line 10b

Count your spouse and your partners' spouses only if they work in the business.

Line 10c

Your plan meets the minimum coverage requirements of section 410(b), for purposes of Form 5500-EZ, if the employees of your business (other than those benefiting under the plan) are:

- 1. Covered by a collective-bargaining agreement,
- 2. Nonresident aliens who receive no earned income from U.S. sources, or
- **3.** Not eligible because they do not meet the plan's minimum age or years-of-service requirements

Note: You cannot use Form 5500-EZ if you have employees covered by another plan and this

one-participant plan relies on that plan to meet the minimum coverage requirements.

Line 11b

A qualified joint and survivor annuity is an immediate annuity for the life of the participant, with a survivor annuity for the life of the spouse that is not less than 50% of, and is not greater than 100% of, the amount of the annuity that is payable during the joint lives of the participant and the spouse. The qualified joint and survivor annuity may be provided either by the purchase of an annuity contract from an insurance company or directly from the plan's trust. See section 417(b).

1994 Form 5500-EZ Example

Example

The pension plan started in 1987. Mr. John Jones is the sole proprietor of a radio and TV repair shop (J & J Repair Service). Mr. Jones' wife is also employed in his business. The business has a money purchase pension plan adopted in 1987 with an effective date (beginning date) of January 1, 1987.

Contributions to the pension plan for 1994 were \$20,000. The income earned for 1994 was \$10,000. The bank charged Mr. Jones' plan a \$100 maintenance fee for 1994.

Mr. Jones would complete and file a Form 5500-EZ for 1994 as shown in the following sample of a filled-in Form 5500-EZ.

Supplemental Explanation

Line 1d.—Mr. Jones enters 7622 (radio and TV repair shops) as the business activity code that best describes his business.

Line 2a.—Mr. Jones is the plan administrator so line 2a is checked "Yes." If Mr. Jones was not the plan administrator he would check "No," and enter the plan administrator's name and EIN at the bottom of Form 5500-EZ.

Line 2d.—Mr. Jones, doing business as (DBA) J & J Repair Service, has only this pension plan. Therefore, he will number the pension plan "001"

Line 4b.—Mr. Jones checks box 4b(i) because he is self-employed.

Line 5a.—Mr. Jones has only one pension plan, so line 5a is "-1-."

Line 7a(i).—Because Mr. Jones' plan is not an annuity plan with an insurance company, the box on line 7a(i) is checked "No."

Line 8a.—The total assets at the end of the plan year were equal to the contributions to the plan for the year (\$20,000) plus the earnings for the year (\$10,000) less the expenses for the year (\$100) plus assets at the end of 1993 of \$78,590 for a total of \$108,490.

Line 8b.—There were no plan liabilities at the end of the year, so Mr. Jones enters zero on line 8b.

Lines 9a through 9d.—Because neither Mr. nor Mrs. Jones had any of the listed transactions with the plan, these items are checked "No."

Lines 10a through 10c.—Because Mr. Jones and his wife are the only employees of the business, line 10a is checked "No" and lines 10b and 10c are not answered.

Lines 11a through 11c.—There were no distributions or loans from the plan for the year, so lines 11a through 11c are checked "No."

Signature and Date

Mr. Jones signs and dates the return.
