Form 8453 (1995) Page **2**

Paperwork Reduction Act Notice

We ask for the information on this form to carry out the Internal Revenue laws of the United States. You are required to give us the information. We need it to ensure that you are complying with these laws and to allow us to figure and collect the right amount of tax.

The time needed to complete and file this form will vary depending on individual circumstances. The estimated average time is 15 minutes. If you have comments concerning the accuracy of this time estimate or suggestions for making this form simpler, we would be happy to hear from you. You can write to the Tax Forms Committee, Western Area Distribution Center, Rancho Cordova, CA 95743-0001. DO NOT send the form to this address. Instead, see When and Where To File below.

Purpose of Form

Use Form 8453 to:

- Authenticate the electronic portion of Form 1040, 1040A, or 1040EZ,
- Send any accompanying paper schedules or statements,
- Authorize the electronic return originator (ERO) to transmit via a third-party transmitter, and
- Provide the taxpayer's consent to directly deposit any overpayment.

When and Where To File

This form must be mailed to the service center where the electronic return was transmitted on the next working day after the ERO has received acknowledgment from the IRS that the return was accepted. Only the Andover, Austin, Cincinnati, Memphis, and Ogden Service Centers can accept electronic returns. Get **Pub. 1345**, Handbook for Electronic Filers of Individual Income Tax Returns (Tax Year 1995). It has step-by-step mailing instructions and addresses for the service centers.

Line Instructions

Declaration Control Number (DCN).—The DCN is a 14-digit number assigned by the ERO to each return. Clearly type or print the DCN in the top left corner of each Form 8453. Enter the number after the IRS has acknowledged receipt of the electronic return as follows:

Boxes	<u>Entry</u>
1–2	File identification number (always "00")
3–8	Electronic filer identification number (EFIN) assigned by th IRS
9–11	Batch number (000 to 999) assigned by the ERO
12–13	Serial number (00 to 99) assigned by the ERO
14	Year digit (for returns filed in 1996, the year digit is "6")

Example. The EFIN is 509325. The batch number is 000. The serial number is 56. The DCN is 00-509325-00056-6.

Name, Address, and Social Security Number (SSN).—If the taxpayer received a peel-off label from the IRS, place the label in the name area. Cross out any errors and print the correct information. Add any missing items, such as apartment number. If the taxpayer did not receive a label, print or type the information in the spaces provided. Please verify that the SSN is clear and correct. An incorrect or missing SSN may delay any refund. If a joint return, be sure the names and SSNs are listed in the same order.

P.O. Box.—If the post office does not deliver mail to the taxpayer's home and the taxpayer has a P.O. box, enter the box number.

Note: The address must match the address shown on the electronically filed return.

Part I—Tax Return Information

Line 3.—If the taxpayer had any withholding from Form(s) 1099, include it in the amount you enter on line 3 and check the box.

Line 5.—Do not include the payment with Form 8453. Instead, mail it by April 15, 1996, with **Form 1040-V**, Payment Voucher, to the address shown on that form

Part II—Direct Deposit of Refund

Taxpayers can elect to have their refund directly deposited by completing Part II. But to do so, they must provide proof of account ownership to their ERO. Acceptable proof is a check, form, report, or other statement generated by the financial institution with the routing transit number (RTN), taxpayer's name, and depositor account number (DAN) printed on it.

For accounts payable through a financial institution other than the one at which the account is located, the taxpayer must provide a document, such as an account statement or account identification card, showing the RTN of the bank or institution where the account is located. A deposit slip should not be used to verify the RTN and DAN because it can contain internal routing numbers that are not part of the RTN. If there is any doubt about the correct RTN, the taxpayer should contact the financial institution and ask for the correct RTN for direct deposit (Electronic Funds Transfers).

Note: Some financial institutions may not accept direct deposits into accounts that are payable through another bank or financial institution, including credit unions.

Line 7.—The RTN must be nine digits. If it does not begin with 01 through 12 or 21 through 32, the direct deposit will be rejected.

Line 8.—The DAN can be up to 17 alphanumeric characters. Include hyphens but omit spaces and special symbols. If fewer than 17 characters, enter the number from left to right and leave the unused boxes blank.

Line 10.—The account designated to receive the direct deposit must be in the taxpayer's name. If the filing status on the return is married filing jointly, the account can be in either or both spouses' names. If the filing status is married filing separately, the account can be in the taxpayer's name or in both spouses' names.

Caution: The account cannot include the name of any other person except as noted above.

Some financial institutions do not permit the deposit of a joint refund into an individual account. The IRS is not responsible when a financial institution refuses a direct deposit for this reason.

Note: If the taxpayer wants the refund directly deposited, be sure the corresponding box for line 11 in Part III is checked.

Part III—Declaration of Taxpayer

An electronically transmitted return will not be considered complete, and therefore filed, unless and until a Form 8453 signed by the taxpayer is received by the IRS.

All filers **must** check one of the boxes for line 11.

If the ERO makes changes to the electronic return after Form 8453 has been signed by the taxpayer but before it is transmitted, the ERO must have the taxpayer complete and sign a corrected Form 8453 if either of the following applies:

- The total income on line 1 differs from the amount on the electronic return by more than \$25, **or**
- The total tax on line 2, the refund on line 4, or the amount owed on line 5 differs from the amount on the electronic return by more than \$7.

Part IV—Declaration of Electronic Return Originator (ERO) and Paid Preparer

A paid preparer must sign Form 8453 in the space for **Paid Preparer's Use Only.** Only handwritten signatures are acceptable. But if the paid preparer is also the ERO, do not complete the paid preparer's section. Instead, check the box labeled "Check if also paid preparer."

The IRS requires the ERO's signature.

Refunds.—After the IRS has accepted the return, the refund should be issued within 21 days. However, some refunds may be temporarily delayed because of compliance reviews to ensure that returns are accurate.

Automated Refund Information.—Refund information is available on Tele-Tax. See the instruction booklet for Form 1040, 1040A, or 1040EZ for the telephone number.
