## **General Instructions**

**Purpose of form.**—Form 5306-SEP is used by program sponsors who want to get IRS approval of their prototype simplified employee pension agreements.

Who may file.—Use Form 5306-SEP to request a favorable opinion letter if:

• You are a bank, federally insured credit union, savings and loan association that qualifies as a bank, insurance company, regulated investment company, or trade or professional society or association (other than an employee association); and

• You want to get a favorable opinion letter that a SEP agreement to be used by more than one employer is acceptable in form.

Who does not need to file.-Instead of designing their own SEP, sponsors of programs may use IRS Form 5305-SEP, Simplified Employee Pension—Individual Retirement Accounts Contribution Agreement, or Form 5305A-SEP, Salary Reduction and Other Elective Simplified Employee Pension-Individual Retirement Accounts Contribution Agreement, to establish a SEP. Sponsors who use Form 5305-SEP or Form 5305A-SEP with individual retirement accounts or annuities for which the IRS has issued a favorable opinion or ruling letter, or with model individual retirement accounts issued by the IRS, are considered to have established a SEP that meets the requirements of section 408(k). This applies even if you have reproduced the provisions of Form 5305-SEP or Form 5305A-SEP on your own letterhead or in pamphlets that omit all references to the IRS or its forms. Do not file Form 5306-SEP if you use Form 5305-SEP or Form 5305A-SEP.

**Note:** The IRS will not issue an opinion letter on a document submitted with Form 5306-SEP that is a combination of a prototype SEP and a prototype individual retirement account or annuity.

What to file.—File this application and one copy of all documents that make up the SEP agreement. If this is an amendment, include a copy of the amendment and an explanation of its effect on the SEP agreement.

Where to file.—File this application with the Assistant Commissioner (Employee Plans and Exempt Organizations), Internal Revenue Service, Attention: CP:E:EP, P.O. Box 14073, Ben Franklin Station, Washington, DC 20044.

Address.—Include the suite, room, or other unit number after the street number. If the Post Office does not deliver mail to the street address and you have a P.O. box, show the box number instead of the street address. **Signature.**—An officer who is authorized to sign or another person authorized under a power of attorney must sign this application. (Send the power of attorney with this application when you file it.)

## **Specific Instructions**

**User fee.**—All applications must be accompanied by the appropriate user fee. Applications submitted without the proper user fee will not be processed and will be returned to the applicant.

For the proper user fee, see Rev. Proc. 95-8, 1995-1 I.R.B. 187.

Line 2b(3).—If you are amending your SEP, enter the file folder number from the latest opinion letter you received for your SEP.

Line 3.—If this SEP provides for elective deferrals intended to meet the requirements of section 408(k)(6), check the appropriate box on line 3. Indicate whether the language providing for elective deferrals constitutes a "short amendment" described in section 4.03 of Rev. Proc. 91-44, 1991-2 C.B. 733, or a "long amendment" described in section 4.04 of Rev. Proc. 91-44.

Line 7a.—The term "employees" includes all employees of a controlled group of corporations (section 414(b)); a group of businesses under common control (section 414(c)); an affiliated service group (section 414(m)); and certain leased employees required to be treated as the employer's own employees under section 414(n).

Line 7a(1).—The amount under section 408(k)(2)(C) is \$300. This amount is adjusted annually for increases in the cost of living. In 1995, the compensation received must be at least \$400.

Line 8e.—The 1995 compensation amount under section 408(k)(3)(C) is \$150,000.

**Note:** The cost-of-living adjustment, if any, applicable to the dollar limitations on lines 7a(1) and 8e are published in an IRS news release at the beginning of each year. The amount on line 8e is adjusted for cost-of-living adjustments but only in increments of \$10,000.
