The time needed to complete and file this form will vary depending on individual circumstances. The estimated average time is:

Recordkeeping	10 hr., 17 min.

If you have comments concerning the accuracy of these time estimates or suggestions for making this form simpler, we would be happy to hear from you. You can write to the Tax Forms Committee, Western Area Distribution Center, Rancho Cordova, CA 95743-0001. **DO NOT** send this tax form to this address. Instead, see **Where To Apply** below.

A Change To Note

State and local governments (formerly activity **K**) and retailers of aviation gasoline (formerly activity **X**) no longer have to register. These activities have been deleted from the chart on pages 3-4.

General Instructions

Section references are to the Internal Revenue Code.

Purpose of Form

Use Form 637 to apply for excise tax registration for activities under sections 4101, 4222, 4662, and 4682. See the chart (pages 3-4) for the list of activities. Each business unit that has, or is required to have, a separate employer identification number is treated as a separate person.

The following **must** be registered under section 4101:

- Enterers, position holders, refiners, and terminal operators; Activity **S**
- Blenders; Activity **M**
- Bus and train operators who use dyed diesel fuel in their buses or trains; Activities **R** and **W**, respectively.

How To Apply

Complete Form 637 and submit it with the required additional information described on the chart on pages 3-4. You may use additional sheets for your explanations. Be sure to write your name and employer identification number on each sheet you attach. Your application will be reviewed by the IRS for accuracy and completeness. You must send in all of the required information or the processing of your application will be delayed. The review may include inspection of your premises during normal business hours without advance notice.

The application must be approved before you are registered for any activity. If your application is approved, the district director will issue a Letter of Registration. The letter will include the activities you are registered for, the effective date of the registration, and your registration number. A copy of Form 637 is not a Letter of Registration.

If your application is denied, you will be notified in writing by the district director that the application has been denied and the reason for the denial.

Employer Identification Number (EIN).—If you do not have an EIN, you must apply for one. Get **Form SS-4**, Application for Employer Identification Number. Form SS-4 has information on how to apply for an EIN.

Where To Apply

You **must** file Form 637 with the IRS District Director for the district in which your books and records and principal place of business are located. If you cannot determine the district where you should file or you do not know the address of your district director, call the IRS at the number for your area on page 6 of these instructions. **Do not file this form with your Internal Revenue Service Center.** If you have no principal place of business in the United States, file with the IRS, Office of Assistant Commissioner (International), 950 L'Enfant Plaza South, SW, Attention: IN:C:E, Washington, DC 20024.

Changes in Registration

If a district director has issued you a Certificate of Registry or a Letter of Registration that is still in effect for an activity, you need not register again for that activity unless notified to do so. However, to apply for another activity or to cancel a registration, you must contact the district in which you are registered.

You must notify the district director within 10 days if any information submitted with an application changes. This includes, but is not limited to, address changes, changes in ownership, or changes in business activities. A registrant may not sell, lease, or otherwise allow another person to use its registration number.
