# **General Instructions**

**A. Purpose of Form**—Generally, if you have operations in or related to boycotting countries, you are required to report those operations, the receipt of boycott requests, and boycott agreements on Form 5713.

# B. Tax Benefits That May Be Lost—If you participate in or cooperate with an international boycott, you may lose a portion of the following:

• The foreign tax credit (section 908);

• Deferral of taxation of earnings of a controlled foreign corporation (section 952(a)(3));

• Deferral of taxation of IC-DISC income (section 995(b)(1)(F)(ii));

• Exemption of foreign trade income of a foreign sales corporation (FSC) (section 927(e)(2)).

Report the loss of tax benefits on Schedules A and C or Schedules B and C (Form 5713), and on Form 1116, Foreign Tax Credit (Individual, Fiduciary, or Nonresident Alien Individual), Form 1118, Foreign Tax Credit-Corporations, Form 5471, Information Return of U.S. Persons With Respect To Certain Foreign Corporations, Form 1120-IC-DISC, Interest Charge Domestic International Sales Corporation Return, or Form 1120-FSC, U.S. Income Tax Return for Foreign Sales Corporations.

IC-DISC benefits and partnership benefits are lost at the shareholder or partner level. IC-DISCs and partnerships complete only parts of Schedules A or B and pass this information on to shareholders and partners.

C. Who Must File—You must file Form 5713 if you:

• Have operations;

• Are a member of a controlled group (as defined in section 993(a)(3)), a member of which has operations;

• Are a United States shareholder (within the meaning of section 951(b)) of a foreign corporation that has operations; but only if you

own (within the meaning of section 958(a)) stock of that foreign corporation;

• Are a partner in a partnership that has operations; or

• Are treated under section 671 as the owner of a trust that has operations,

in or related to a boycotting country or with the government, a company, or a national of a boycotting country.

**D. Boycott Request**—A boycott request is any request to enter into an agreement that would constitute participation in or cooperation with an international boycott.

#### E. Exceptions from Filing

**1.** Foreign person—A foreign person is not required to file Form 5713 unless the foreign person claims the benefits of the foreign tax credit, owns stock in an IC-DISC, or is a FSC that has exempt foreign trade income.

**2.** Members of a controlled group.—A corporation that is member of a controlled group (as defined in section 1561) is not required to file Form 5713 if all members of the controlled group joined in the filing of a consolidated income tax return and the common parent files Form 5713 on behalf of all members of the controlled group.

If all members of the controlled group did not join in the filing of a consolidated income tax return, each member of the controlled group must separately file Form 5713.

A member of a controlled group (as defined in section 993(a)(3)) is not required to file Form 5713 if all of the following conditions apply:

The member has no operations in or related to a boycotting country (or with the government, a company, or a national of a boycotting country), and

The member did not own stock, directly or indirectly, of any corporation having such operations;

The member did not receive any boycott requests;

The member did not own stock, directly or indirectly, of any corporation receiving a request;

The member is not entitled to (or the member forfeits) the benefits of the foreign tax credit, the deferral of earnings of a controlled foreign corporation, IC-DISC benefits, and FSC benefits, and

The member attaches to its tax return a certificate stating that Form 5713 was filed on the member's behalf. This attachment must be signed by a person authorized to sign the tax return of the common parent of the group.

**3.** *Partners*—Generally, a partner must file Form 5713 to report the boycott operations of the partnership. However, a partner is not required to file if he or she has no boycott operations that are independent of the partnership, if the partnership files Form 5713 with Form 1065, and the partnership did not cooperate with or participate in an international boycott.

**4.** *U.S. sanctioned boycotts*—You may comply with an international boycott imposed by a foreign country if the boycott is sanctioned by United States law, regulations, or an Executive order. Do not report U.S. sanctioned boycotts on Form 5713.

**5.** Prohibition on importation and exportation— Although you may comply with prohibitions on the importation or exportation of products described in section 999(b)(4)(B) and section 999(b)(4)(C) without incurring tax sanctions, you must report the boycott operations from such agreements on Form 5713.

**6.** Unsolicited invitations to bid—If you receive an unsolicited invitation to bid for a contract that contains a request to cooperate with or participate in an international boycott, you are required to file Form 5713 only if you accept the invitation.

**7.** Foreign corporation with United States subsidiary or sister—A corporation generally is required to file Form 5713 to report its boycott activities and the boycott activities of all members of its controlled group. A U.S. corporation that is a subsidiary or a sister corporation of a foreign corporation may waive that requirement to supply boycott information for its foreign parent or sister corporation if the following conditions are met:

The foreign corporation is not required to file Form 5713 independently of its relationship with the U.S. subsidiary or sister corporation, and

The U.S. subsidiary or sister corporation agrees to forfeit the benefits of the foreign tax credit, deferral of taxation of earnings of a controlled foreign corporation, IC-DISC benefits, and FSC benefits.

8. Foreign corporations required to file because of U.S. branch operations-A foreign corporation engaged in a U.S. trade or business through a U.S. branch is generally required to file Form 5713 to report the boycott activities of its controlled group, including the U.S. branch. When reporting for the U.S. branch, report all information related to the U.S. branch's boycotting activities, including the boycott activities that do not relate to the branch's U.S. trade or business. The foreign corporation may, however, waive the requirements to report information about its foreign subsidiaries and sister corporation if it does not claim or it forfeits the benefits of the foreign tax credit, the deferral of taxation of earnings of a controlled foreign corporation, IC-DISC benefits, and FSC benefits. The waiver does not relieve the foreign corporations of reporting the boycott activities of all U.S. corporations that are members of the same controlled group of which the foreign corporation is a member.

#### F. When and Where To File

File Form 5713 (and Schedules A, B, and C, if applicable) in duplicate by the due date of your income tax return, including extensions. File one copy with the Internal Revenue Service Center, Philadelphia, PA 19255 and attach a copy to your income tax return.

**G. Penalty**—Willful failure to file Form 5713 may result in fines of \$25,000, imprisonment for not more than one year, or both.

H. International boycott factor and specifically

attributable taxes and income—If you participate in or cooperate with an international boycott, you must compute the loss of tax benefits. You may either use the international boycott factor (Schedule A) or determine taxes and income specifically attributable to boycott operations (Schedule B). Compute the loss of tax benefits on Schedule C.

IC-DISCs and partnerships do not complete Schedule C. However, they must complete parts of both Schedules A and B, unless all shareholders, or all partners, compute the loss of their tax benefits using the boycott factor exclusively, or the specifically identifiable taxes and income method exclusively. In such cases, the IC-DISC and the partnership need complete only parts of Schedule A or parts of Schedule B.

#### I. Definitions

**1.** Boycotting country—A boycotting country is any country that is on the list maintained by the Secretary of the Treasury under section 999(a)(3). The list currently (as of January 1994) includes Bahrain, Iraq, Jordan, Kuwait, Lebanon, Libya, Oman, Qatar, Saudi Arabia, Syria, United Arab Emirates, and the Republic of Yemen.

Also, any other country in which you (or member of the controlled group to which you are a member) have operations and which you know or have reason to know requires any person to participate in or cooperate with an international boycott other than a boycott referred to in "Exceptions from Filing" is a boycotting country.

2. Operations—The term "operations" means all forms of business or commercial activities and transactions (or parts of transactions), whether or not productive of income, including, but not limited to: selling; purchasing; leasing; licensing; banking, financial, or similar activities; extracting; processing; manufacturing; producing; constructing; transporting; performing activities ancillary to the foregoing (for example, contract negotiating, advertising, site selection, etc..); and performing services; whether or not related to the foregoing. You are considered to have operations in a "boycotting country" if you have an operation that is carried out, in whole or part, in a boycotting country.

You are considered to have operations "with the government, a company, or a national of a boycotting country" if you have an operation that is carried on outside a boycotting country either for or with the government, a company, or a national of a boycotting country.

You are considered to have operations "related to a boycotting country" if you have an operation that is carried on outside a boycotting country for the government, a company, or a national of a non-boycotting country if you know or have reason to know that specific goods or services produced by the operation are intended for use in a boycotting country, or for use by or for the benefit of, the government, a company, or a national of a boycotting country, or for use in forwarding or transporting to a boycotting country.

## **Specific Instructions**

Address.—Include the suite, room, or other unit number after the street address. If the Post Office does not deliver mail to the street address and the filer has a P.O. box, show the box number instead of the street address.

The numbers below correspond to line numbers on Form 5713.

Line 1—Individuals—Enter your adjusted gross income (e.g., for 1993, line 31, Form 1040).

Line 2c—Partnerships and corporations— Enter your principal business activity code number and description. Page 4 of the instructions provides a list of business activity codes for corporations and partnerships. Using this list, enter the code number for the specific industry group from which the largest percentage of "total receipts" was derived. (e.g., for 1993 forms, enter):

**a.** Form 1065; Page 1, line 1a and the total of lines 4 through 7;

**b.** Form 1120; Page 1, line 1a and the total of lines 4 through 10;

c. Form 1120-F; Page 3, line 1a and the total of lines 4 through 10;

**d.** Form 1120-FSC; Page 3, the total of columns (a) and (b), line 6a, Schedule B;

e. Form 1120-IC-DISC; Page 1, line 1;

f. Form 1120-L; Page 1, line 8;

g. Form 1120-PC; Page 2, line 14, Schedule A;

Line 2d—IC-DISCs—Enter on line 2d the major product code number from line 1a, Schedule N, Form 1120-IC-DISC. This is the code number for the major product or service (as measured by export gross receipts) sold or provided by the IC-DISC.

Line 4b—Common taxable year election—In general, the common taxable year of the controlled group is the taxable year of the common parent. However, the members of the controlled group may elect the taxable year of any member of the group as the common taxable year. This election is made by entering the name, taxable year, and employer identification number of the designated corporation on line 4b.

All members of a controlled group must consent, in writing, to the common taxable year election. A common parent may consent to the common taxable year election on behalf of all members of the controlled group that joined with the common parent in filing a consolidated return. Foreign corporations which are members of a controlled group need not sign the consent if they are not required to report. However, if the foreign corporation subsequently becomes liable to report, then it is bound by the common taxable year election previously made by the group. A copy of the consent must be attached to each member's Form 5713 filed for the first taxable year of such member to which the common taxable year election applies. In the event no common parent exists and no consensus is reached by the members of the controlled group, the common taxable year of the group will be the taxable year of the member of the controlled group whose taxable year ends in the latest month of the calendar year. The taxable year election is a binding election and can be changed only with the approval of the Secretary of the Treasury.

Line 4c(1)—Corporations—Enter the amount of total assets (e.g., for 1993 forms, enter):

a. Form 1120; Schedule L, line 15, column (d);

a. Form 1120; Page 1, line 28;

b. Form 1120-F; Page 3, line 29;

c. Form 1120-FSC; Page 3, line 18, Schedule B;

d. Form 1120-IC-DISC; Page 1, line 5;

g. Form 1120S; Page 1, line 21 (ordinary income).

Line 6. Enter the applicable amounts as follows:

a. Foreign tax credit before adjustment (e.g., line 10, Part III, Schedule B, Form 1118 (Rev. 11-91) (corporations)); or line 30, Part IV, Form 1116 (1993) (individuals);

**b.** Pro rata share of total income of controlled foreign corporation (line 21, Schedule C, Form 5471 (Rev. 10-90));

c. Pro rata share of section 995(b)(1)(F)(i) amount:

• Shareholder that is not a C corporation— Pro-rata share of section 995(b)(1)(F)(i) amount (e.g., for 1993, pro-rata share of line 8, Part I, Schedule J, Form 1120-IC-DISC).

• Shareholder that is a C corporation— Pro-rata share of excess amount of section 995(b)(I)(F)(i) multiplied by 16/17 (e.g., for 1993, pro-rata share of line 8, Part I, Schedule J, Form 1120-IC-DISC multiplied by 16/17).

**d.** Exempt foreign trade income of a FSC. Enter total of columns (a) and (b), line 10, Schedule B (Form 1120-FSC) (1993).

## Questions 7 through 13

Filers who are not members of a controlled group—If you are not a member of a controlled group, report in questions 7 through 13 your own boycott operations, requests, cooperation, or participation, and the boycott operations, requests, cooperation, or participation of:

• any foreign corporation in which you are a United States shareholder,

any partnership in which you are a partner, or

• any trust in which you are treated as owner under section 671.

When reporting on behalf of a foreign corporation, or on behalf of a partnership or trust, report the boycott activities of the foreign corporation, partnership, or trust for the tax year of the foreign corporation, partnership, or trust that ends with or within your tax year.

Filers who are members of a controlled group of corporations—If you are a member of a controlled group of corporations, the answers to questions 7 through 13 on the Form 5713 filed by you for your tax year must reflect:

**a.** your operations, boycott requests, and boycott participation or cooperation (and those of any trust of which you are treated as the owner under section 671) for your tax year that ends with or within the common taxable year that ends with or within your tax year (see instruction for line 4b);

b. the operations, boycott requests, and boycott participation or cooperation of each other member of the controlled group (and those of any trust of which a member of the controlled group is treated as the owner under section 671) for each member's tax year that ends with or within the common taxable year that ends with or within your tax year;

c. the operations, boycott requests, and boycott participation or cooperation of each foreign corporation or partnership on whose behalf you are reporting as a United States shareholder or as a partner, for the tax year of the foreign corporation or the partnership that ends with or within your tax year that ends with or within the common taxable year that ends with or within your tax year; and

d. the operations, boycott requests, and boycott participation or cooperation of each foreign corporation or partnership on whose behalf a member (other than you) of the controlled group is reporting as a United States shareholder or as a partner, for the tax year of the foreign corporation or the partnership that ends with or within such member's tax year that ends with or within the common taxable year that ends with or within your tax year.

The effect of these reporting requirements is that the answers to questions 7 through 13 generally are identical for each member of the controlled group and need only be updated on a group basis once a year. The information is updated at the close of the common taxable year, and is reported by each member of the group for its tax year that ends with or after the common taxable year. If the tax years of all members, foreign corporations, and partnerships coincide with the common taxable year, then all information is reported on a current basis

If all tax years do not coincide, then all or some of the information reported will reflect a time period that is out of phase with the reporter's tax year.

Example—Assume that Corporations A, B, C, and D are all members of a controlled group. Corporation A is the common parent and no common taxable year election is made. Corporations A, B, and C report on the basis of a calendar year. Corporation D reports on the basis of a July 1–June 30 tax year. Corporation C owns 15 percent of Foreign Corporation X. Corporation X reports on the basis of an April 1-March 31 tax year. Corporations A, B, C, D, and X have operations in boycotting countries. The answers to questions 7 through 13 on the Forms 5713 filed by Corporations A, B, and C for their 1993 tax years will reflect the operations of Corporations A, B, and C for the 1993 tax year, the operations of Corporation D for the period July 1, 1992–June 30, 1993, and the operations of Corporation X for the period April 1, 1992-March 31, 1993. The answers to questions 7 through 13 on the Form 5713 filed by Corporation D for its tax year ending June 30, 1994, will be identical to those on the Forms 5713 filed by Corporations A, B, and C for their taxable years ending December 31, 1993. The answers to questions 7 through 13 on the Form 5713 filed by Corporation D for its tax year

ending June 30, 1994, will not reflect any of Corporation D's operations for its July 1, 1993-June 30, 1994 tax year.

## Part I—Operations in or Related to a Boycotting Country

8. Boycott of Israel-Question 8 concerns operations in or related to countries on the Secretary's list of countries associated in the boycott of Israel (or with the governments companies, or nationals of those countries). Use a separate line for each country or each person having operations in that country. Do not use separate lines for separate operations by the same person in the same country.

Column (2)-Enter the identifying number of each person having operations in or related to any of the listed countries. Include the identifying number of all members of your controlled group that have operations in or related to the listed countries

Additionally, if you or a member of your controlled group is the United States shareholder of a foreign corporation which has operations in or related to the listed countries (or with the governments, companies, or nationals of those countries), enter your employer identification number or the employer identification number of the member of your group who is the United States shareholder, and in parentheses enter the name and employer identification number, if available, of the foreign corporation having the operation in or related to the listed countries.

Columns (3) and (4)-Enter the principal business activity code number (see page 4) of the person that has the boycott operations in column (3) and a brief description of the principal business activity in column (4).

Column (5)-If you are an IC-DISC, enter the product code from Schedule N (Form 1120-IC-DISC).

9. Nonlisted countries boycotting Israel-If the answer to question 9 is "Yes," use the same procedure outlined in the instructions for question 8 for any nonlisted countries which you know or have reason to believe require participation in or cooperation with the international boycott of Israel.

10. Boycotts of countries other than Israel-If the answer to question 10 is "Yes," use the same procedure outlined in the instructions for question 8 for any international boycott other than the boycott of Israel.

11. Boycott requests-If you receive a substantial number of similar requests, you may attach a copy of one of these requests and a statement stating the number and nature of all other requests received.

12. Boycott agreements-If a substantial number of boycott agreements were entered into or were effective for the period covered by the report, and the boycott clauses are similar, you may attach a sample boycott clause and a statement stating the number and general nature of all other boycott clauses and agreements entered into. An agreement to participate in or cooperate with an international boycott continues for the entire period that it is in effect and must be reported each year that it is in effect

## Part II—Requests for and Acts of Participation in or **Cooperation With an** International Boycott

13a-Check "Yes" for any requests received or agreements entered into or continuing in effect during the period covered by the report with respect to any international boycott not excluded in instruction E.4. If no requests were received and no agreements were entered into or were not in effect, enter "No.

13b—Use a separate line for each country, each person, and each type of participation or cooperation. Do not use separate lines for similar types of participation or cooperation by the same person in the same country.

Columns (3) and (4)-Enter in columns (3) and (4), the principal business activity code number and a description of the principal business activity of the person receiving the request or the person who has the agreement and a brief description of the principal business activity. Columns (6) and (8)-Enter in column (6) the total number of requests of the same type that were received by the same person in the same country. Enter in column (8) the total number of agreements of the same type that were entered into by the same person in the same country

Columns (7) and (9)—Enter in column (7) the code number listed below that indicates the type of participation or cooperation requested. Enter in column (9) the code number listed below that indicates the type of participation or cooperation agreed to.

Code Number	Type of Participation or Cooperation Requested or Agreed to

### **Codes for Principal Business Activity**

These codes for the Principal Business Activity are designed to classify enterprises by the type of activity in which they are engaged to facilitate the administration of the Internal Revenue Code. Though similar in format and structure to the Standard Industrial Classification Codes (SIC), they should not be used as the SIC codes.

Using the list below, enter the code for the specific industry group from which the largest percentage of "total receipts" is derived. For an explanation of the procedure used to determine total receipts, see the instructions for line 2c.
