The time needed to complete and file this voucher will vary depending on individual circumstances. The estimated average time is 13 minutes. If you have comments concerning the accuracy of this time estimate or suggestions for making this voucher simpler, we would be happy to hear from you. You can write or call the IRS. See the Instructions for Form 1040.

What Is a Payment Voucher and Why Should I Use It?

A payment voucher is a statement you send with your payment when you have a balance due on your tax return. It is like the part of other bills—utilities, credit cards, etc.—that you send back with your payment.

If you have a balance due on line 65 of your 1995 Form 1040, please send the payment voucher with your payment. By sending it, you will help save tax dollars because we will be able to process your payment more accurately and efficiently. We strongly encourage you to use Form 1040-V, but it is not required.

How Do I Fill In the Payment Voucher?

Box 1. Enter the amount of your payment.

Box 2. Enter the first four letters of your last name. See examples below.

How Do I Make My Payment?

- Make your check or money order payable to the "Internal Revenue Service" (not "IRS"). Don't send cash.
- Make sure your name and address appear on your check or money order.
- Write your SSN, daytime phone number, and "1995 Form 1040" on your check or money order.
- Detach the payment voucher at the perforation.

- If you paid someone to prepare your return and you don't file electronically, mail your return, payment, and payment voucher to the address on the back that applies to you.
- If you file electronically, mail your payment and payment voucher to the address on the back in the right column that applies to you.

Note: DO NOT attach your payment or the payment voucher to your return or to each other.
