# Instructions

You may use Schedule C-EZ instead of Schedule C if you operated a business or practiced a profession as a sole proprietorship and you have met all the requirements listed in Part I of Schedule C-EZ.

### Line A

Describe the business or professional activity that provided your principal source of income reported on line 1. Give the general field or activity and the type of product or service.

#### Line B

Enter the six-digit code that identifies your principal business or professional activity. See pages C-7 through C-9 of the Instructions for Schedule C for the list of codes.

#### Line D

You need an employer identification number (EIN) only if you had a qualified retirement plan or were required to file an employment, excise, estate, trust, or alcohol, tobacco, and firearms tax return. If you need an EIN, file Form SS-4, Application for Employer Identification Number. If you do not have an EIN, leave line D blank. Do not enter your SSN.

## Line E

Enter your business address. Show a street address instead of a box number. Include the suite or room number, if any.

## Line 1

Enter gross receipts from your trade or business. Include amounts you received in your trade or business that were properly shown on **Forms 1099-MISC**. If the total amounts that were reported in box 7 of Forms 1099-MISC are more than the total you are reporting on line 1, attach a statement explaining the difference. You must show all items of taxable income actually or constructively received during the year (in cash, property, or services). Income is constructively received when it is credited to your account or set aside for you to use. Do not offset this amount by any losses.

## Line 2

Enter the total amount of all deductible business expenses you actually paid during the year. Examples of these expenses include advertising, car and truck expenses, commissions and fees, insurance, interest, legal and professional services, office expense, rent or lease expenses, repairs and maintenance, supplies, taxes, travel, the allowable percentage of business meals and entertainment, and utilities (including telephone). For details, see the instructions for Schedule C, Parts II and V, on pages C-3 through C-7. If you wish, you may use the optional worksheet below to record your expenses.

If you claim car or truck expenses, be sure to complete Part III of Schedule C-EZ.
