General Instructions

Section references are to the Internal Revenue Code.

Purpose of form. Form 8817 is filed by certain cooperatives to report their income and deductions by patronage and nonpatronage sources.

Who must file. Form 8817 **MUST** be filed by cooperatives described in section 1381(a)(2) that have both patronage and nonpatronage income and deductions. However, exempt farmers cooperatives (section 521) and taxable cooperatives with gross receipts of less than \$10 million, are **not** required to file Form 8817.

How to file. Attach Form 8817 to the cooperative's income tax return.

Specific Instructions

Enter for each line, in the appropriate column, the amount of income or deduction. The total of both columns for each line must agree with the amount reported on the corresponding line of the cooperative's income tax return. For more details about any line on this form not described below, see the specific instruction for that line in the instructions for the cooperative's income tax return.

A patronage allocation schedule may be attached in lieu of completing lines 1a through 26c. However, lines 27 through 32 **MUST** be completed even if a patronage allocation schedule is attached.
