General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

Use Form 8586 to claim the low-income housing credit. This general business credit is allowed for each new qualified low-income building placed in service after 1986. Generally, it is taken over a 10-year credit period.

The portion of the low-income housing credit attributable to buildings placed in service after 2007 is not limited by tentative minimum tax and cannot be reported on page 1 of Form 3800. Part II is used to figure this portion of the credit.

Taxpayers that are not partnerships, S corporations, estates, or trusts, and whose only source of this credit is from buildings placed in service before 2008 from those pass-through entities, are not required to complete or file this form. Instead, they can report this credit directly on line 1d of Form 3800, General Business Credit.

Qualified Low-Income Housing Project

The credit cannot exceed the amount allocated to the building. See section 42(h)(1) for details.

The low-income housing credit can only be claimed for residential rental buildings in low-income housing projects that meet one of the minimum set-aside tests. For details, see the Instructions for Form 8609, Part II, line 10c.

Except for buildings financed with certain tax-exempt bonds, you may not take a low-income housing credit on a building if it has not received an allocation from the housing credit agency. No allocation is needed when 50% or more of the aggregate basis of the building and the land on which the building is located is financed with certain tax-exempt bonds. The owner still must get a Form 8609 from the appropriate housing credit agency (with the applicable items completed, including an assigned BIN). "Land on which the building is located" includes only land that is functionally related and subordinate to the qualified low-income building (see Regulations sections 1.103-8(a)(3) and 1.103-8(b)(4)(iii)).

Recapture of Credit

There is a 15-year compliance period during which the residential rental building must continue to meet certain requirements. If, as of the close of any tax year in this period, there is a reduction in the qualified basis of the building from the previous year, you may have to recapture a part of the credit you have taken. Similarly, you may have to recapture part of the credits taken in previous years upon certain dispositions of the building or interests therein, unless you follow the procedures to prevent recapture. See *Recapture and building dispositions* in the Instructions for Form 8609-A, Annual Statement for Low-Income Housing Credit, for details. If you must recapture credits, use Form 8611, Recapture of Low-Income Housing Credit. See section 42(j) for details.

Recordkeeping

Keep a copy of this Form 8586 together with all Forms 8609, Schedules A (Form 8609) (and successor Forms 8609-A), and Forms 8611 for 3 years after the 15-year compliance period ends.

Specific Instructions

Line 2. A decrease in qualified basis will result in recapture if the qualified basis at the close of the tax year is less than the qualified basis at the close of the first year of the credit period.

If the reduction in qualified basis at the close of the tax year also results in a violation of the minimum set-aside requirement, then no credit is allowable for the year.

Line 3. The credit for the year is figured on Form 8609-A for each building. Attach a copy of each Form 8609-A you completed for the tax year to Form 8586. Enter on line 3 the total credit from attached Form(s) 8609-A for buildings placed in service before 2008.

Line 6. Allocate the amount on line 5 between the estate or trust and the beneficiaries in the same proportion as income was allocated and enter the beneficiaries' share on line 6.

Line 9. A decrease in qualified basis will result in recapture if the qualified basis at the close of the tax year is less than the qualified basis at the close of the first year of the credit period.

If the reduction in qualified basis at the close of the tax year also results in a violation of the minimum set-aside requirement, then no credit is allowable for the year.

Line 10. The credit for the year is figured on Form 8609-A for each building. Attach a copy of each Form 8609-A you completed for the tax year to Form 8586. Enter on line 10 the total credit for attached Form(s) 8609-A for buildings placed in service after 2007.

Line 13. Enter the amount included on line 12 that is from a passive activity. Generally, a passive activity is a trade or business in which you did not materially participate. Rental activities are generally considered passive activities, whether or not you materially participate. For details, see Form 8582-CR, Passive Activity Credit Limitations (for individuals, estates, and trusts), or Form 8810, Corporate Passive Activity Loss and Credit Limitations (for corporations).

Line 15. Enter the passive activity low-income housing credit allowed for 2010 from Form 8582-CR or Form 8810.
