Section 6621(b)(1) provides that the Secretary will determine the federal shortterm rate for the first month in each calendar quarter.

Section $6621(\mathrm{~b})(2)(\mathrm{A})$ provides that the federal short-term rate determined under § 6621(b)(1) for any month applies during the first calendar quarter beginning after such month.

Section 6621(b)(2)(B) provides that in determining the addition to tax under § 6654 for failure to pay estimated tax for any taxable year, the federal short-term rate that applies during the third month following such taxable year also applies during the first 15 days of the fourth month following such taxable year.

Section 6621(b)(3) provides that the federal short-term rate for any month is the federal short-term rate determined during such month by the Secretary in accordance with § 1274(d), rounded to the nearest full percent (or, if a multiple of $1 / 2$ of 1 percent, the rate is increased to the next highest full percent).

Notice 88-59, 1988- C.B. 546, announced that, in determining the quarterly interest rates to be used for overpayments and underpayments of tax under § 6621, the Internal Revenue Service will use the federal short-term rate based on daily compounding because that rate is most consistent with § 6621 which, pursuant to § 6622, is subject to daily compounding.

Rounded to the nearest full percent, the federal short- term rate based on daily compounding determined during the month of October 1998 is 4 percent. Accordingly, an overpayment rate of 7 percent (6 percent in the case of a corporation) and an underpayment rate of 7 percent are established for the calendar quarter beginning January 1, 1999. The overpayment rate for the portion of a corporate overpayment exceeding $\$ 10,000$ for the calendar quarter beginning January 1,1999 , is 4.5 percent. The underpayment rate for large corporate underpayments for the calendar quarter beginning January 1, 1999, is 9 percent. These rates apply to amounts bearing interest during that calendar quarter.

The 7 percent rate also applies to estimated tax underpayments for the first calendar quarter in 1999 and for the first 15 days in April 1999.

Interest factors for daily compound in-
terest for annual rates of 7 percent, 6 percent, 4.5 percent, and 9 percent are published in Tables 19, 17, 14, and 23 of Rev. Proc. 95-7, 1995-1 C.B. 556, 573, 571, 568, and 577.

Annual interest rates to be compounded
daily pursuant to $\S 6622$ that apply for prior periods are set forth in the tables accompanying this revenue ruling.

## DRAFTING INFORMATION

The principal author of this revenue
ruling is Raymond Bailey of the Office of Assistant Chief Counsel (Income Tax and Accounting). For further information regarding this revenue ruling, contact Mr . Bailey on (202) 622-6226 (not a toll-free call).
