SUPPLEMENTARY INFORMATION:

Background

Temporary regulations in this issue of the Bulletin amend the Procedure and Admin-

istration Regulations (26 CFR Part 301) relating to Code section 6103(j)(5). The temporary regulations contain rules relating to the disclosure of return information reflected on returns to officers and employees of the Department of Agriculture for conducting the census of agriculture.

The text of the temporary regulations also serves as the text of these proposed regulations. The preamble to the temporary regulations explains the temporary regulations and these proposed regulations.

Special Analyses

It has been determined this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. It also has been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to these regulations, and because the regulations do not impose a collection of information on small entities, the Regulatory Flexibility Act (5 U.S.C. chapter 6) does not apply. Pursuant to section 7805(f) of the Code, the IRS will submit this notice of proposed rulemaking to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

Comments and Requests for Public Hearing

Before adoption of these proposed regulations as final regulations, the IRS will consider any written (a signed original and eight (8) copies) or electronic comments that the IRS timely receives. The IRS and Treasury Department request comments on the clarity of the proposed rules and how they can be made easier to understand. All comments will be available for public inspection and copying. The IRS may schedule a public hearing if any person who timely submits written comments requests such a hearing in writing. If a public hearing is scheduled, notice of the date, time, and place for the public hearing will be published in the **Federal Register**.
